Date: 06.12.2018

M/S Preksha Enterprises,
12-B, N.S.Road, 2nd Floor,
Kolkata-700001

Sub: Integration & Testing of Breath Analyzer Devices
Ref: 1. letter no. PE/CRIS dated 07.08.2018
2. letter no. PE/CRIS/NARSIMHA dated 14.09.2018

With reference to the letters mentioned vide Ref: 1 & 2 above, this is to inform you that your breath analyzer devices namely Model Diamond and Model Narsimha have been integrated with CMS application and tested both at CMS Kiosk at CRIS and at IR lobbies (BZA, KIR and KOTA) successfully.

Based on above testing BA device Model DIAMOND and NARSIMHA are approved for CMS field implementation as an additional source for procurement by Indian Railways.
